“PROVIDING SUPERIOR QUOTING SYSTEMS FOR AUSTRALIAN INDUSTRY”

## USER COMMENTS

### Release for Promotional Industry...

#### **This is what they had to Say about Master Quote V7:**

##### **BenJac Promotions & Gifts, Lawton, QLD...**

“...Once you see the outstanding abilities of this package you will take the time to setup this new system to drastically reduce your quoting times, improve on the efficiency of your quote methodologies and improve the quality controls...”

##### **Action Ads, Ross Creek, VIC...**

“A positive benefit of Master Quote is the quantity warnings associated with the items. For example a range of pens BIC supplies has a minimum quantity buy of 5000, when selecting the pen/item to quote on Master Quote will advise if the quantity selected is below/above the quantity buy price. This then allows for item verification with the supplier.”

##### **Im-Press Promotions, Kent Town, SA...**

“Master Quote is a fantastic program, has sped up my quoting output and the ability to correctly cost has increased...there's no going back to the old quoting system now”
